AFRICA

WAS Vision

WORLD
AQUACULTURE
Society

The World Aquaculture Society (WAS) is the global leader in aquaculture science, contributing to the growth and development of aquaculture. We serve as a primary facilitator of information exchange, technology transfer, policy development, and communication between all sectors engaged in aquaculture.

WAS Publications

WORLD
AQUACULTURE
Society

Journal of the World Aquaculture Society

Bi-monthly scientific journal
containing high-quality, peer-
reviewed, scientific papers covering
the full range of aquaculture topics

Available to members
in hard copy or
electronic format

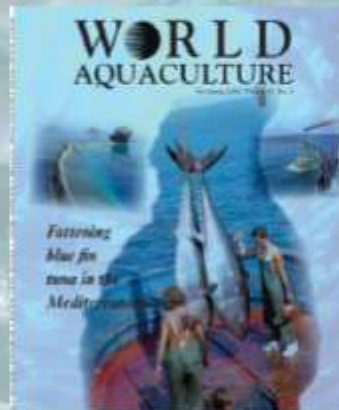

WAS Publications (cont.)

WORLD
AQUACULTURE
Society

World Aquaculture Magazine

Quarterly publication containing feature articles, updates, as well as timely popular and technical aquaculture articles along with news and current events of interest from around the globe.

WORLD
AQUACULTURE
Society
